

Building on our reputation

At TICO Construction, we take great pride in building on our reputation as a flexible, responsive and very personal service provider. We put this reputation to work for our customers in each and every one of their projects.

**We're flexible as we move and grow with your project, supporting you every step of the way.**

**We're responsive and available to you 24 hours a day, 7 days a week.**

**We take a personal approach to the focused consultation and valuable services we provide.**

This reputation is what makes TICO different. It is how our customers identify us ... and it's our promise to you.

## FLEXIBLE

Got project goals? We can meet them! Whether you are looking for a minor renovation or new shell construction, our experienced employees and comprehensive services can help you meet your goals.

Our employees are experts. They are specialists in the services they provide and they work together as a unit; constantly moving, adjusting and changing to provide the right blend of services to meet your needs. They support your project with focused services while being conscious of safety, quality control, deadlines and cost efficiencies. Our services include:

### **Design/engineering consultation**

**Budget estimating**

**Value engineering**

**Computerized scheduling**

**Cost control analysis**

**Pre-construction risk analysis /contingency planning**

**Construction management**

**Vendor and trade coordination**

**Subcontractor management**

**Project status and financial tracking reports**

**Safety training and compliance**

**Seismic upgrade services**

**24/7 coverage and availability**

**ADA compliance consultation**

**Local, regional and national capabilities**

## RESPONSIVE

When are we available? Anytime! We know that your project is the first thing on your mind, so we make sure that we are responsive and accessible to you at all times. You won't need to worry about who to call, because there is only one level of communication at TICO, your level, and only one side of your project that we are concerned with, your side. You won't need to think about when to call because every one of your team members, including our company principals, is available and accessible to you 24 hours a day, 7 days a week... period.

Since 1988, TICO has successfully responded to the needs of customers in a variety of sectors including:

**Corporate**

**Industrial**

**Financial**

**Retail**

**Medical**

**Clean rooms**

**Microelectronics**

**Biotechnology**

**Pharmaceutical**

**Healthcare**

**Automotive**

**Clean technology**

Do we take a personal approach? Absolutely! We're a tight knit bunch at TICO Construction and we hold ourselves personally accountable for your project's success. Every one of our employees, including our company principals, works side-by-side with you to achieve your goals. We understand that it's not just a blueprint - it's a key to your success. We understand that we're not just a partner - we're a member of your hand-picked team. We appreciate the privilege of working with you on your project and are committed to making our partnership a complete success.
